

Stand As One

C F C
We're a generation trying to be heard

F Am G
We fight with our voices, we fight with our words
C F C/E
There's a situation we cannot ignore
Am G C C/E
Let's not hurt our planet anymore

Chorus

F Am G
It's a beautiful world that we're living in
G Am F C
We don't wanna lose one more living thing
F Am G
It's a beautiful world but it needs our help
C/E F G C
Let's stand as one this fight is real
Am F G C , Am , G, Am, G
Help us help our planet heal

Verse 2

C F C
We're a generation growing up to learn
F Am G
Species are endangered never to return
C F C/E
Science on the TV, science in our schools
Am G C C/E
Tells us that we need to change the rules

Chorus

F Am G
It's a beautiful world that we're living in
G Am F C
We don't wanna lose one more living thing
F Am G
It's a beautiful world but it needs our help
C/E F G C
Let's stand as one this fight is real
Am F G C
Help us help our planet heal

Bridge

F F
Science on the TV, science in our schools
F G Am G
Tells us that we need to change the rules
F G C
Tells us that we need to change the rules

Chorus

F Am G
It's a beautiful world that that we're living in
G Am F C
We don't want to lose one more living thing
F Am G
It's a beautiful world but it needs our help
C/E F G C
Let's stand as one, this fight is real
Am F G C
Help us help our planet heal
