# The Roots We Share

Dorry Macaulay  
S.O.S from the Kids

6

Where the life giving wells are found as you go a-bout your days may we  
 12 find our roots are in - ter - laced                      So when leaves fall                      they grow a  
 17 gain. May you bend be-fore you break and your heart feel joy des-pite the aches. Ooh.....  
 23 Ooh.....                      May your boughs be                      a rest-ing place                      for all  
 28 those in need                      of love and grace.                      May what's bro-ken                      by wind or                      storm                      be-come a  
 32 shel ter                      a place that's warm                      Ooh.....                      Ooh.....                      Af - ter Au-tumn  
 39 Win - ter comes with                      Bar-ren fros-ty                      ste - m                      but deep un - der-ground                      roots work on till  
 44 spring comes round a - gai - n                      May your roots be strong and in - ter -  
 55 weaved sur - round-ed by                      com-mu - ni - ty                      from the height of your leaf fy dome                      may you look  
 60 out and see                      a for-rest grow                      may you look                      out and see                      a for-rest grow
